| Meeting Minutes | <ol style="list-style-type: none"> 1. MetroWest Special Needs Resource Fair Planning Update <ul style="list-style-type: none"> • Metrowest Fair scheduled for March 6, 2016 with a snow date of April 3, 2016 in Natick High School cafeteria. • Eventbrite has been working well for registration. Main concern is that the number of vendor registration is lower than expected. Cathy had thought vendor tables would have been sold out by 12/31. Team agreed to NOT increasing pricing for tables. Team discussed that they would re-evaluate in February if other action needed to take place. • Other planning (Volunteers, Children Area) are all moving forward with no concerns. A volunteer sign up will be created to get all SEPAC Board members (and volunteers) involved. • Volunteers will reach out to local businesses to request bags to handout at the Resource Fair. 2. Coordination on Spring 2016 SEPAC activities <ul style="list-style-type: none"> • Discussed the next event with SPARK on March 16- How to Make and Keep Friends. Volunteers will be needed – a volunteer sign up will be created to track volunteers. |
